

**Tool Series 378:  
HSC Carbide End Mills for Soft Materials - Long Reach - Square End - 3 flutes**

| Tolerance         |    |
|-------------------|----|
| Cutting Diameter: | h5 |
| Shank Diameter:   | h5 |

| Uncoated Tool Number | Cutting Diameter | Shank Diameter | Neck Diameter | Overall Length | Flute Length | Reach Length | Flutes |
|----------------------|------------------|----------------|---------------|----------------|--------------|--------------|--------|
| 378-3060             | 6                | 6              | 5.6           | 75             | 6            | 30           | 3      |
| 378-3080             | 8                | 8              | 7.6           | 75             | 8            | 45           | 3      |
| 378-3100             | 10               | 10             | 9.6           | 100            | 10           | 50           | 3      |
| 378-3120             | 12               | 12             | 11.6          | 100            | 12           | 55           | 3      |

These tools are engineered and manufactured to BEST CARBIDE specifications.
